Our PVC lanyard with attachment are available in 10 or 15mm widths, and can be customised. You can add text or a simple logo in monochrome.

The quality of the material guarantees durability and resistance. You can choose from a wide range of colours, thanks to the Pantone colour chart, so you can vary the pleasures and stand out from the crowd.

Practical because it doesn't take up too much space, you can hang a phone on it or use it as a badge holder for your exhibitor cards or badges, for example.
