The polypropylene wristband is a single-use model that is adjusted and closed with a plastic snap. Once attached to the wrist, it cannot be removed and exchanged with another person. It is durable and waterproof and can be worn for several days. The bracelet is used to control access to an event or a specific location.

Personalization of the PP event wristband

- It can be personalized with a marking or a barcode (minimum 100 pieces).

- Option on the wristband: detachable coupons (on request).
