The velcro wristband is adjusted and closed with a small black plastic hook. It is resistant, waterproof and reusable. It facilitates the control of participants in an event or customers wishing to access a restricted area (campsite, holiday club, leisure park, aquatic centre...).

Characteristics of the velcro wristband

The velcro identification wristband is available in all colours (mix and match possible from 500 pieces ordered) and in two sizes:

- 12 x 300 millimetres
- 20 x 300 mm
- other widths and lengths on request

The wristband can be marked with a logo, a text and a picture.
