The satin bracelet is very pleasant to the touch. It can be adjusted and closed with a knot. It is therefore reusable and interchangeable.

It can be used to control access to an event or a specific place: museum, exhibition opening, concert, private party, hotel, vacation club...

- Advantages: chic, customizable, waterproof, adjustable, easy to attach.

A personalized bracelet by sublimation

To make it as aesthetic as possible, the fabric bracelet is personalized by sublimation. It is possible to add a text, logo and / or image. It is available in several widths and colors (mix of colors possible from 100 pieces).
